SCALING

PRINTING INSTRUCTIONS

1. Within your print settings, make sure the Page Scaling is set to "None" within the print dialog box.
2. After printing, ensure the bar on the left under scaling is exactly 1 inch or 30 mm long. Confirm the size of the quarter by placing an actual quarter over the image.

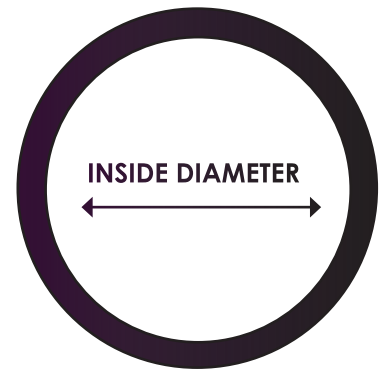

MEASURE A RING SHE CURRENTLY WEARS

1. Choose a ring she wears on a daily basis.

Within the United States, engagement and wedding rings are typically worn on the ring finger of the left hand.

2. Place the ring over the below circles and match the inside edge

This measurement refers to the inside diameter of the ring which you can view on the right diagram.

3. If the ring falls between two sizes, choose the larger one.
